PERSONAL SUMMARY

I am a motivated and passionate software developer seeking an opportunity to progress my career in London's dynamic tech industry. During my studies and experience working as a graduate software developer with a leading Australian university, I have developed my technical skills and am now ready to apply them in a new innovative workplace. I am excited about taking on a new career challenge following my relocation to London on 28/10/2019.

WORK EXPERIENCE

Company/Location:	University of South Australia, Adelaide
Period:	November 2018 – October 2019
Position:	Information Technologist Graduate (Software Developer)

KEY RESPONSIBILITIES

Working under the Software Development Lifecycle, and utilising cloud platform Appian, my key responsibilities include:

- Develop and support corporate systems in areas including human resources, finance, research and business intelligence.
- Analyse and address service requests raised for the university's staff, student and visitor travel application.
- Engage with business stakeholders regarding issues raised and facilitate an appropriate response.
- Implement system migrations and document their source, solution and release plan.

Company/Location: Champion Data, Adelaide
Period: January 2016 – November 2018
Position: IT Operations

KEY RESPONSIBILITIES

The purpose of my role was to provide at ground technical support for the delivery of IT services provided by Champion Data - the official statistics provider to the Australian Football League (AFL). My key responsibilities included:

- Providing Interchange Cap Capture (ICC) software for AFL officials to capture interchange movements on game day.
- Assist analytics company Catapult Sports to ensure AFL teams are connected to its OpenField software – a cloud-based analytics platform.
- Provide support to AFL officials, AFL clubs, media, Champion statistics staff, Champion TV broadcast staff and Catapult Sports, and where applicable, troubleshoot the systems used by these stakeholders.

Company/Location: Various, Adelaide
Period: 2011 – 2017
Position: Floor staff

KEY RESPONSIBILITIES

Waiting, bar and other service duties in several cafes, restaurants and pubs.
